Dear Mr. Weisberg:

Please send me order form or price list for: **Whitewash II, Photographic Whitewash, Oswald in NO, Whitewash IV, and Post Mortem.** Are there any discounts for purchasing more than one Title?

Also, I have an amusing story relative to an attempt I personally made to contact author Mark Lane in 1966 as he toured the country to promote his book.

Finally, I enjoyed your **Case Closed** treatise and think you just scratched the surface in terms of Posner's fictional account.
